EXPERIENCE:

Milwaukee Art Museum
September 2010 – Present

Intern for the Prints and Drawings department as graphic designer for publications and other printed material.

Mosaic Student Film Festival

April 2008 – August 2010

Festival Coordinator overseeing administrative, financial, and design aspects of the festival in Rockford, Illinois. Started in 2008 by myself and a few other high school friends, the festival began as a desire to find ways to positively effect our community. The event was created for students aged 14-22 to create and submit expressive films. All of the proceeds from the event are donated to a local homeless shelter, the Rockford Rescue Mission. To date, the festival has raised over \$1500 towards the Mission's efforts.

Milwaukee Institute of Art & Design

August 2009 – Present

Resident Assistant in the MIAD Dorms, as well as a Teacher's Assistant during school hours. As an RA, I help provide an engaging, healthy, and diverse environment for the incoming freshmen, as well as tend to any needs or conflicts. As a TA, I support teachers in classrooms where students might need computer-related assistance.
